

# Greener Pastures Ranching Ltd.

Presents:

## \*Year-Round Grazing Systems\*

A Business Management School

Topics include:

*Human Resources  
Economics and Finance  
Pasture Calculations  
Grazing Management  
Pasture Rejuvenation  
Weed Control*

*Cell Designs/Water Systems  
Swath Grazing/Bale Grazing*

Location: Westlock, AB

When: November 25<sup>th</sup>, 26<sup>th</sup> & 27<sup>th</sup>, 2011

Can you Graze 365 days a year? We provide a 3-day course that will take you right into the design and planning of a year-round grazing system. The course tuition is \$800/ Farm Unit, which allows two members from your farm business to attend. This course is well worth the investment.
